indifi

Indifi Technologies Private Limited (Indifi) is a platform that facilitates credit/term loans between small businesses and loan providers such as NBFCs/Banks.

Indifi leverages technology to provide the borrowers with required funds at best rate possible, without any collateral, which makes them the market leader in the domain.

Northern Arc Capital has partnered with Indifi to offer loans to SMEs, through the Indifi web app or Mobile app.

About the product:

Business Term loans are the amounts that are commonly granted to the small businesses. Along with the amount, the repayment schedule of the term loan is also pre-determined.

These loans are offered only to businesses, for capital expenditure and business expansion amongst others. They are often tailor-made to suit the financial needs of MSME businesses. There are also various benefits of using this loan to raise capital.
